## COMMUNICATION

FINERGREEN has acted as Sole Financial Advisor to Solaria in the construction financing of a 63.2 MWp solar PV portfolio in Portugal with La Banque Postale acting as sole lender

---

Madrid - September 6, 2021

Following the recent financial close, **FINERGREEN** is proud to announce that it has acted as **Sole Financial Advisor to Solaria Energía y Medio Ambiente** (“Solaria”) in the arrangement of a **construction financing facility for a 63.2 MWp solar PV portfolio in Portugal** with French bank **La Banque Postale acting as sole lender**.

The financed portfolio consists of **4 solar PV** plants located in the Alentejo and Central regions of Portugal. The 4 projects (“Monte Falcato” – 14.1 MWp, “Mendo Marco” – 23.3 MWp, “Herdade dos Canhões” – 13.7 MWp and “Casal da Marmeleira” – 12.0 MWp), which will be built and operated by subsidiaries of Solaria, are designed under a fixed tilt configuration, and are expected to reach commercial operations date during the first half of 2022. The plants enjoy a **15-year Feed-in-Tariff remuneration under the Portuguese tender of July 2019** and constitute Solaria’s first assets to reach operation status in Portugal. These facilities will generate c. 100 GWh per annum, producing enough to energy to power c. 30,000 households.

FINERGREEN would like to thank Solaria for the trust placed in what we consider a **landmark transaction for Solaria to accomplish its development plans in Portugal, as well as for La Banque Postale’s mission of establishing a solid presence in the Iberian renewables market**.

Finally, FINERGREEN would also like to thank other counterparties involved in the transaction: Morais Leitão, Galvão Teles, Soares da Silva & Associados (“MLGTS”), Legal Advisor to the lender, Macedo Vitorino (“MV”), Legal Advisor to Solaria and UL, technical advisor.
