

Finergreen advised the sale of an operating solar portfolio from EAM to Prejeance Industrial

Madrid, 2nd February 2022

Finergreen is delighted to announce the closing of the sale of an operating solar portfolio from EAM to Prejeance Industrial, a French-based investor, active in renewables since 2017 with presence in France and Italy.

The portfolio is composed of 30+ rooftop assets located in France and 3 ground-mounted plants located in Italy.

The seller has been advised in all the aspects of the transaction during the entire process by the Finergreen Spanish team, based in Madrid.

Finergreen is proud to support this client on a new successful transaction and to contribute to the expansion of Prejeance Industrial thanks to the acquisition of the portfolio.
